

COLWOOD MAPPING HAPPENING

Share your stories, photos, memories and hopes for the future of our special *green learning city* by the sea.

From charting epic voyages of discovery to helping us find our way around today's real and virtual worlds, maps have played a pivotal role in human history. Maps are also a powerful tool for helping cities celebrate their unique stories and plan greener futures. Join us in mapping Colwood's special stories and places.

Drop-in Sessions:

Tues, Feb 9, 3-5pm

Juan de Fuca Recreation Centre (main foyer)

Fri, Feb 12, 11:30 am-1pm

Grant Building (off Habitat Cafe),
Royal Roads University

What makes you happy in Colwood?

Mapping Categories:

Sustainable Living (green economy, technology & design, mobility/active transportation)

Nature (land & water, flora, fauna, outdoor activities)

Culture and Community (first nations, community culture, eco-information, public works & landmarks)
